

Color the shapes to choose what to do during our session. Draw or write your own ideas in the blank shapes. I can't wait to see you soon!

I want to:

talk about
happy things

ask a
question

play a game

tell you
about
my
friends

talk about
my worries

do art

talk about
something I need

read a book

play with
toys

talk about the
coronavirus

talk about
sad things
